

Dear Jessica,

I hope your spring season is off to a great start!

I am writing to inform you that the website for the 2008 VIP Lacrosse Camp at Washington and Lee University is up and running and can be found here:

VIP Lacrosse Camp is a great opportunity for your players to sharpen their lacrosse skills while experiencing life here on our campus. Campers are able to get a better understanding of W&L and our campus as they live in the dorms, eat in the dining hall, and utilize our athletic facilities. Additionally, our coaching staff and many of our current players will be working camp which will provide those campers interested in W&L and our lacrosse program the chance to get to know our staff and team. Finally, attending camp serves as a great opportunity for my staff and I to get to know your players better, both as lacrosse players, and as a complete individuals.

Players' full registrations can be completed through the camp website -- if you or your players have any additional questions about camp please feel free to call or email.

We hope to see your players at VIP Camp this summer!

All the best,

Brooke
